

# Campaign Season Scorecard

## CARMEL 2023

Campaign season is a tradition in Carmel where candidates and their volunteers go door to door seeking support for the candidates and campaigns. While this is a serious and very important part of our democratic republic, I wanted to have a little lighthearted fun in giving you, as a voter, the opportunity to score the candidates and their volunteers. Have fun and please take the time to vote on November 7 or through the early voting options.

### MARK WHEN IT HAPPENS

If you score more than 50 points, send me an email and I will send you a shirt.\*
